

Greetings from the Chair

Whether you live in the Parish or, like me, are a Havant resident of Newlands you are part of the community we are trying to build here and will be most welcome at our meetings and events.

Remember also that Newlands (Winchester or Havant) is part of Waterlooville and your support for the activities of the Waterlooville Events Team, including the Annual Summer Fete at Jubilee Park, will help to make this a better place to live.

Community Matters

On Road Parking

We know that car parking across the Parish can be difficult so please remember to park considerately. In particular, take care around the school especially at the end of the school day.

Waste Recycling Centre

A reminder that from this year you will need to register your car or 4x4 with Hampshire County Council to continue using the Household Waste Recycling Centres across the county.

VE Day Celebrations

The May Bank Holiday has moved to Friday 9 May to commemorate the 75th anniversary of VE Day. The Parish Council will be establishing a working party to organise an event to allow the community to celebrate. If you are interested in helping out please email the Parish Clerk (clerk@newlands-pc.gov.uk).

Newlands Community Hall

Our brand new community hall will be available for booking in the next few weeks. If you are interested in hiring the main hall please email bookings@newlands-pc.gov.uk.

Development News

Road Adoptions

After completing the Darnel Road resurfacing Taylor Wimpey are continuing to work with Hampshire County Council on remedial works and outstanding utility works on Sickle Way. Adoption is on track for later this year.

Inconsiderate Contractors

We have received a number reports of contractors not being considerate to residents including bad parking and mud on the roads. We report these concerns to the relevant developer. If you see anything of concern, please contact the Parish Clerk or Winchester City Council.
